CAS Number:147253-67-6 基本信息

中文名: (-)-1,2-双((2R,5R)-2,5-二甲基磷)苯;  
(-)-1,2-双((2R,5R)-2,5-二甲基磷)苯;  
(-)-1,2-双((2R,5R)-2,5-二甲基磷)苯;

英文名: Phospholane, 1,1'-(1,2-phenylene)bis[2,5-dimethyl-, (2R,2'R,5R,5'R)-

Phospholane, 1,1'-(1,2-phenylene)bis[2,5-dimethyl-, [2R-[1(2'R\*,5'R\*), 2a,5b]]-(9CI);

(-)-1,2-Bis(2R,5R-2,5-dimethylphospholano)benzene;

(-)-1,2-Bis[(2R,5R)-dimethylphospholano]benzene;

(2R,2'R,5R,5'R)-1,1'-(1,2-phenylene)bis[2,5-dimethylphospholane];

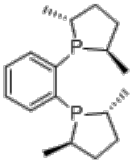

(R,R)-1,2-Bis(2,5-dimethylphospholano)benzene;

(R,R)-MeDuPHOS;

(R,R)-Methyl-DuPhos;

1,2-Bis((2R,5R)-2,5-dimethylphospholan-1-yl)benzene;

1,2-Bis[(2R,5R)-2,5-dimethylphospholano]benzene

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |                                                                                                                                                                   |  |
